

ROD & GUN Chatter

By DONNA BARKDULL

Utah deer hunt came to an end with a below par take for local hunters venturing to the wild country. Tags filled represent a bit more hustling on the part of the hunters. Nevertheless, the locker plant has been swamped. Been lots of forked-horns, five pointers and hereabouts, plus does, (no horns), and then there was the eye popper Bob Moffett hauled into town.

From the number of points, 20 in all, looks like the old timer had been playing it cagey, out smarting nimrods for many seasons. Probably never thought he would run up against ole "Danny Boone" Moffett. Well, he did, and he's "daid" and Bob has a beautiful trophy head to prove it.

For the second year in a row, the Compton Rod and Gun and the Southern California Spin and Gun Assn. bump heads as they both have slated their most important event of the year on the same day. Sunday, Compton's popular crowd

shoot gets under way, while at the same time the Spin and Gun Assn. fires the opening gun for their annual eye derby. Torrance expert crowd hunters, headed by Fred Bickar will try for top honors in the hunt, won in a walk away a couple of years back, while other members of the Torrance Rod and Gun mob will compete in the fishing derby. Helen Smith copped the first spot last year along with a 14 ft. skiff that went with it.

Can't consider Gardena Rod and Gun members out of the running. Never when it comes to opal eye! Have already smashed to a pulp the ego of the Long Beach Spin Fishermen in an opal eye derby along the Federal Breakwater a couple of weeks ago. Torrance fishermen have never gone into this breakwater angling in a big way, but they still managed to keep Gardena

in their place. First after Torrance.

Still no let up on the deep blue as sportfishing continues red hot. Yellowtail, bonita, white sea bass, halibut and calicos brought to gaff by the sacks full. No telling how long it will last, don't think anyone expected a fall run like we are having. Anglers are actually getting tired of catching yellowtail.

Many fishing enthusiasts switching to the surf, coming up with good takes of barred perch. Locally in front of the Hollywood Riviera surf fishermen are coming up with limits, most hitting between the one and two and a half pound mark. Heard rumors of lunkers hitting at white sands. Surf anglers will be seeking out lunker holes from here on, as just about every Sunday is booked by one club or another for perch derbies.

EC Harriers Trounce Two

Running in record time Tuesday, Miles Eisenman broke the Bakersfield cross-country record on the El Camino 3.1 mile course with a time of 15 minutes 33 seconds.

After going down in defeat to Bakersfield by the margin of three points, 26-29, the El Camino road-runners retaliated by trouncing San Diego JC and Harbor JC by the scores of 15-45 and 15-46 points respectively.

Friday the Warriors journey to Mt. San Antonio College for the annual Southern California Junior College Invitational cross country meet.

"After a poor showing in 13th place last year, we should be among the top five in 1957," Coach Hengsteler surmised.

Warriors Announce 57-58 Slate Of Conference Basketball Games

Warriors of El Camino College announced their 1957-58 basketball schedule today. The 30 game slate includes the Sam Barry Memorial and California State Tournament as well as the usual conference and annual practice games.

Followers of the team will see the squad in action for the first time on Nov. 29 as the shoopsters open up the season on that date at the El Camino gym.

Head Mentor George Stanich is still in the process of selecting a starting lineup. All prospects look sharp and hopes are high for a successful season.

All home games will be played at the El Camino gym.

WRESTLING HOPES HIGH

"The El Camino wrestling team should go far this year," Coach Dave Hengsteler predicted, "if all of the wrestlers now competing in football turn out for the squad."

Most promising members of the team are Mike Coyle from Redondo, second place winner in the CIF last year in the 137 lb. division; Richard Deese, 1955 CIF champion from Mira Costa, 165 lb. division; Bill Ice, 1955, fourth place winner, 154 lb. division, and Milton Olson runner-up in 1955 Southern California Junior College championships in 191 lb. class.

with the exception of the two tournaments which are all day affairs.

1957-58 Cage Schedule

Date	Opponent	Place
Nov. 29	Pasadena	El Camino
Nov. 30	Mt. San Antonio	Pomona
Dec. 3	Riverside	El Camino
